Kemnal Technology College

12 July 2021

Dear Parents/Carers

INSTRUMENTAL LESSONS

We are very fortunate at College to have an excellent team of visiting instrumental specialists providing individual tuition on a range of musical instruments.

It has been statistically proven that students who receive musical instrument tuition are more likely to do well in other areas of their education, including boosting their performance at GCSE and A levels. Indeed, recent scientific research claims that learning a musical instrument can boost a child's IQ by 7 points - to say nothing of the hugely positive impact that it has on a child's feelings of confidence and self-esteem. It is quite simply a life changing decision!

If you would like your child to learn or continue with any of the lessons listed below, please could you complete the reply slip attached and return to me. On receipt, I will send you a lesson application for lessons through the college or the Bromley Youth Music Trust. (Note: if you are in receipt of Jobseekers allowance and live in the Bromley Borough, remission of fees for Drums, Sax/Clarinet and Piano lessons is available from the Bromley Youth Music Trust). Please make sure you include your email address on the instrumental request form.

Guitar (bass, electric and acoustic)	Saxophone and Clarinet
Piano	Trumpet
Drums	Trombone
Singing	

If you are able to return the slip to me via email, my address is julie.dyer@kemnal-tkat.org and I will ensure that your child's name is added to the provisional timetable for September.

Yours faithfully

Mrs J Dyer
