Dear Parents/Carers,

FREE SCHOOL MEAL CHECKING SYSTEM

Kemnal Technology College uses an online checking service for Free School Meal (FSM) eligibility.

If your child is currently eligible for FSM, please visit www.fsm.lgfl.net to create an account and enter your details. Even if your child doesn't intend to use the school canteen to purchase snacks and lunch, we encourage you to register as it helps the school's funding to have all eligible FSM students recorded.

After you have entered your details, the online application links to the Department of Education System and will give an immediate 'Yes' or 'No' response. The system will automatically notify the school therefore avoiding any delays in students receiving FSM.

Once registered, there is no need to re-register at the start of each year. KTC systems will automatically re-check eligibility each month and, if your circumstances have changed, inform you should your child no longer be eligible for FSM.

Yours faithfully,

Sandra Short
