CLASSCHARTS GUIDE

WHAT IS CLASSCHARTS FOR PARENTS?

Depending on how your school has set up our system, you will be able to use Class Charts to keep track of your child's behaviour, view attendance records, access their weekly timetable, view assigned homework tasks, track scheduled detentions, create wellbeing submissions and view announcements from their school.

If you have more than one child, you can access Class Charts information about your children from a single, centralised parent account.

Class Charts for parents can be accessed via our **website**, or through our **iOS** and **Android** apps.

You should have received a **Parent code** from your school, which will look similar to the example code shown on the right.
