

Provider Access Policy

Introduction

This policy statement sets out Kemnal Technology College's arrangements for managing the access of providers to pupils at the College for the purpose of giving them information about the provider's education or training offer. This complies with the College's legal obligations under Section 42B of the Education Act 1997.

Pupil entitlement

All pupils in years 8-13 are entitled to:

Find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point; to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events; to understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

Procedure:

A provider wishing to request access should contact Christopher Chalaye – Pastoral and CEIAG Leader, Email: cchalaye@ktc-tkat.org

The College will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The College will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Learning Resource Centre, which is managed by the College Literacy Champion. The Resource Centre is available to all students at lunch and break times.

The College policy on safeguarding sets out the College's approach to allowing providers into College as visitors to talk to our students. A copy of this policy is on the College website.
