

Key Stage 3/4 Transition - The path to your Higher GCSE Mathematics

What can I as student be doing doing extra?

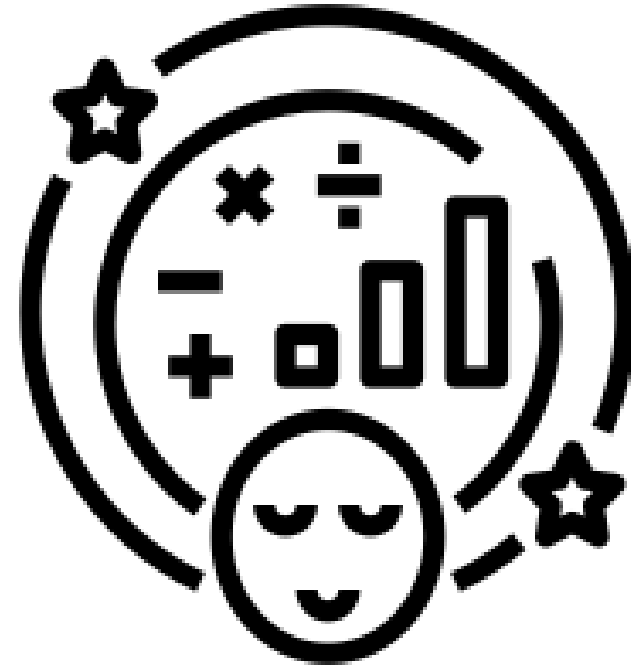

MathsWatch:

<https://vle.mathswatch.co.uk/vle/> a fantastic free resource for students to practice and retrieve their knowledge, as well as complete topic specific assignments created by their teachers.

BBC Bitesize:

<https://www.bbc.co.uk/bitesize/examspecs/z9p3mnb> has lots of really useful subject and exam board revision.

What can I as parent be doing extra?

Encourage your son or daughter to **start early, start now** on their homework and revision.

Help them be **organised**. Create a workable homework timetable with them.

Let them **talk**. Talking with you about a topic or subject helps them visualise their knowledge.

Water and healthy food are vital for the brain to function properly. Make sure they are eating and drinking with you while they talk about their subject.

Exercise & fresh air. Go for a jog with them while they talk about their subject.
