13 May 2022

Dear Parents/Carers of Y11 Students

YEAR 11 REVISION TIMETABLE FROM MONDAY 16 MAY 2022

We are very aware of the pressure that exams have on students, even more so, that this is the first year group that will be sitting exams since COVID. Therefore, to enhance our students' learning and to give them the best opportunity to revise, we have taken the decision that Y11 students will come into school from Monday 16 May following a revision exam timetable **and** for their exams. The revision timetable is outlined below and is also on the school website.

There will also be the opportunity for students to use the quiet study area if they wish to stay in school when they do not have a revision session or an exam. Please know that this area will be staffed by teachers and it will be a strictly silent area. Students who wish to take up this opportunity and remain in school, will have to abide by these rules in order to ensure that others working in silence will not be disrupted. Students who have timetabled exams for morning and afternoon will also be able to use this provision for independent study in between their exams.

For those pupils who are completing BTECs and have not submitted all of their work or completed work to the expected standard, must attend school and go to their teacher's classroom in order to complete this.

We do feel that this gives our students the opportunity to prepare thoroughly and to be in the right mind-set for their exams.

We wish our students the very best of luck with all their exams and hope they achieve the grades that they deserve.

Yours faithfully

Ms Emma Wride
