College**

14 June 2022

Dear Parents/Carers of Y10 Students

DROP IN EVENING - PREPARATION FOR GCSE's

You will remember from Ms Wride's Weekly Letter that Y10's will be starting their mock GCSE's next week. In order to give them the tools and strategies for their mocks and indeed the whole run up to their actual exams next summer, the College is organising a "Drop In" evening for parents on **Thursday 16 June 2022 from 5.00pm to 6.00pm.**

We know and appreciate that it is a daunting time for students as well as parents and it is our belief that if parents are aware on how they can support their son through this pressurised time, this will in turn only benefit your child in the long run.

During the session, you will be shown the revision resources that students can access and how you can get involved. There will also be a focus on how to support your son's mental wellbeing and strategies that can be used in order to minimise stress and to remain positive

In order to gauge numbers, we ask whether you could email admin@kemnal-tkat.org confirming your attendance.

We very much look forward to seeing you at this session, as we believe that by all working together will ensure that your son feels fully supported.

If you have any questions, please do not hesitate to contact me.

Yours faithfully

Mr Matthew Godden
ASSISTANT HEADTEACHER
