Dear Parent/Guardian

The nurses will be attending your school on **03/03/23** to catch-up children who missed out on their DTP/MEN vaccination at the main session.

If **your child has received the vaccination at your GP's** surgery since completing the form, please inform both your school and us so we can **remove your child from the catch-up list**.

If you have **not** yet consented or do not want your child to have the vaccination, please use the online link below and complete by midnight **28/02/23**.

If you have already completed a consent form, please DO NOT complete a second form.

If you have any queries, please do not hesitate to contact us on the number above.

Yours sincerely
