Dear Parents/Carers of Y11 Students

February Half Term Intervention

We are happy to inform you that we are able to offer targeted intervention sessions over the February Half Term to help our students prepare for their GCSE exams in the Summer. These sessions proved a great success last academic year and were very well attended. Outlined below are details of what subjects are being offered and the times/dates etc. We therefore ask parents/carers to go through the list below with the students and ask them to attend which intervention session you feel they would benefit attending.

Day	Subject	Teacher	Time	Students
Monday	Creative iMedia	Mrs Cooper	9-12pm	iMedia Students
Thursday	English	Mr McCalla	10-12pm	Sets 1 and 2
Thursday	English	Ms Gayle-James	10-12pm	Sets 3, 4 and 5
Thursday	History	Ms Ogonna	12-2pm	History Students
Friday	Geography	Mrs Luff	10-12pm	Geography Students
Friday	French	Miss Alexiou	12-2pm	French Students

Subject teachers will have spoken to students about these sessions, and it is very important that students attend when they are available to ensure they secure the best possible results for themselves in their GCSE Exams. We will continue to support their studies after Half Term, with intervention on Saturdays and during the Easter Holiday. More information will come out about this when we return after the break.

In order for us to ensure we know which students are on site during the sessions, please can you complete the permission slip below and send it in with your child for every session that they attend. Students will need to sign in at the Front Reception and hand in their permission slip.

Yours faithfully

Mr M Godden
