Dear Parents/Carers

WEEKLY UPDATE

I sincerely hope that our “Wellbeing Day” was a welcome to you all and that students benefitted from their time away from screens as well as using this time effectively. I look forward to hearing about how our students used this day and what they got up to.

Your child should have received their “Work Pack” through the post this week, please ensure that when we return after half term, your child has this pack ready for every lesson. Please also encourage them to keep it neat and tidy for when they return to school.

Y11 Intervention will take place this Saturday from 10.00am to 12.00pm with Mr McCalla and Ms Wride – please can you ask your son to log onto his emails and accept the Google Classroom invite.

A reminder to parents that if your child requires a tablet then please inform reception or email admin@ktc-tkat.org who will be able to organise this for you.

Can I ask parents, similar to what we did over the Christmas break, that if your child tests positive for Covid over the half term, then you notify leadership@ktc-tkat.org with your child’s name, year group and whether they have attended school? You may also call the School Office which will be open from 8.30am to 2.00pm every day.

This term we have introduced Google Champions in all year groups. Students who have achieved this award have shown great commitment to their online studies and work they have submitted. The worthy winners will receive Amazon vouchers when they return to school.

We are often amazed by our students and it has come to our attention that Leo Street in Y7 is sleeping outside in a hammock for the whole of 2021 to raise awareness for mental health. It is inspiring that a student so young is aware and wants to help support such a worthy cause. Well done Leo! We will update you throughout the year as to how Leo is getting on and all at KTC wish him the best of luck.

All that remains is to wish you and your family a well deserved break next week. We hope your child rests and encourage them to keep on reading or listen to audio books. I believe that parents, students as well as staff need this week off and I take this opportunity to thank you all sincerely for your support and dedication shown over the past 6 weeks. Its been a tough term for everyone but in true KTC style, we carry on.

Enjoy the half term, flip some pancakes and stay safe!

Yours faithfully

Mr Christian Cavanagh
