Dear Parents/Carers of Year 10 Students

Year 10 Parents' Evening - Online Appointment Booking

I would like to invite you to attend our Parents' Evening on **Thursday 9th February**. This is an important evening and provides you with an opportunity to discuss your child's progress and achievements with individual subject teachers.

The event will be online using our School Cloud system. This allows you to choose your own appointment times with teachers and you will receive an email confirming your appointments.

Appointments can be made from **Wednesday 1st February** and will close on **Thursday 9th February at 3pm**. Should you wish to make any changes after this date please contact the school office.

Please visit <https://ktc.schoolcloud.co.uk> to set up your account and start booking your appointments.

Please be aware Year 10 parents will only be able to pick **one** Science teacher for an appointment therefore please book under the **Physics option** to speak to someone in Science. The physics teacher listed may not be your child's physics teacher, but they will teach them for at least one of the sciences.

If you do not have access to the internet, please contact the school office who will be happy to add appointments on your behalf.

Yours sincerely

**Ms Emma Wride
