Dear Schools,

We would like to inform you that The Glades Shopping Centre will be implementing certain measures on Friday, July 21st, coinciding with the majority of schools' break-up. These measures are as follows:

1. No young people will be allowed entry into the shopping centre unless accompanied by an adult.
2. Face coverings such as balaclavas and inappropriate masks etc will not be permitted, and individuals wearing them will be asked to leave.
3. Security staff will be stationed at all entrances and exits from 11:00 a.m. to facilitate these measures.

We kindly request that you circulate this communication provided by us to all relevant parties.

Thank you for your cooperation.

Kind regards,

PS Steeden
