Dear Parents/Carers

WEEKLY UPDATE

We are nearly there – one more week till the summer break and I am sure you are all looking forward to spending time with your families.

Many of our students are benefitting from our online library, SORA. We have received positive feedback from so many of our students. Can I remind parents that if your child is not accessing this site or needs help with their logon details then please let their Form Tutors know. We are looking forward to seeing what our students have been reading over the summer break and they are aware of the school's expectations on reading.

Sports Day for Y10 and Y11 was a huge success. Students displayed excellent sportsmanship during all of their games although some were a little more competitive. Congratulations to 10JL and 11FP for winning their Year Group Sports Days. Great effort to everyone who took part! Good luck to Y8 and Y9 for next week (20 July 2021 - Y9 and 21 July 2021– Y8)

Y9 were involved in their cultural workshops which took place this week on Islam. The sessions were informative and raised awareness of different cultures and religions within our school. As a school community, we respect each other's differences and we will continue to run workshops on different faiths in the new academic year. We look forward to many more educational workshops for all of our year groups focusing on Global and cultural values.

As the summer holidays are fast approaching and whilst this is an exciting time for many of our students, we are aware that some may be feeling quite anxious. This can be a difficult time especially due to the struggles that we have all faced in the past year due to the global pandemic. If you or your child are struggling with mental health issues I encourage you to visit "Bromley Y". They have a wealth of information on coping strategies as well as help and support that you may find useful. At College we work very closely with "Bromley Y" to support our students. They offer pupil and parent webinars as well as 1-1 support through a texting service called 'signpost' (please see attached poster). Further details can also be found on our Wellbeing page on the school website <https://www.ktc-tkat.org/pastoral/ktc-wellbeing/>

On our last day at school (23 July), we will be having a staggered finishing time. Students will return to Form rooms at 11.45am in order to make sure that all belongings and equipment are collected to be taken home. Each year group will be dismissed at the following times: -

Year 8 at 12.00pm

Year 9 at 12.05pm

Year 10 at 12.10pm

Year 11 at 12.15pm

Lunch will be on offer in the canteen from 12.00pm - 12.15pm as a "Grab and Go" option for those choosing to buy it.

We have been in contact with Bromley Buses and have organised for the 638 to leave the school site at 12.10pm and 12.20pm.

A small group of Y11 students were lucky enough to attend a trip today to the Globe Theatre in London. The students attending took part in a Drama Workshop, a tour of the Theatre and then watched a performance of Shakespeare's 'As You Like It'. This was a fantastic opportunity for our students to learn more about the historical context of theatre in Shakespeare's time and to give them a better insight in preparation for their English GCSE studies. The students were fantastic representatives of the College and were excellent throughout the day.

All that remains is to wish you a lovely weekend and enjoy the sunshine.

Yours faithfully
