

**Kemnal  
Technology  
College**

17 June 2022

Dear Parents/Carers

### **WEEKLY UPDATE**

Thank you to all the Y10 parents who attended the “Drop-in” session last night. I hope that parents now feel they are armed with the knowledge and tools on how to support their son’s through the next year. We will look to hold more evenings like this as we go into the new academic year.

Next week begins the mocks for Y10’s. They have all had a revision strategy session led by Mr Godden this week which should help with their preparation and revision techniques. The mock timetable has been adjusted slightly and it is attached to this letter as well as being available on the website. I strongly encourage that you support your son with his revision by asking him questions using his class notes, revision guides, revision resources and Kemnal Keys. We wish all our Y10’s the best of luck for the next few weeks.

We invite all parents of students in Y7, Y8 and Y9 to attend an Information Evening on Thursday 23 June 2022 from 5.00pm to 6.00pm. We want to present to you what we are currently doing to support your child’s learning and wellbeing as well as this being a great opportunity for me to meet with you.

You will know from previous correspondence that the College strongly advocates any resource or strategy for supporting the mental health of our students. Attached are details of a parent support service that allows a 30-minute consultation with practitioners for guidance and advice.

As previously advertised last week, our Y8’s “Safety Workshop” did not take place and was postponed by the external providers due to unforeseen circumstances. We will look to reschedule in the new academic year.

All that remains is to wish you a pleasant weekend and enjoy the sunshine.

Yours faithfully

**Ms Emma Wride**
