College**

6 May 2022

Dear Parents/Carers

### **WEEKLY UPDATE**

As we find ourselves creeping towards the start of exam season, I encourage Y11's to continue with their revision strategies and to ensure that they are resting but more importantly sleeping. They are working very hard at the moment in lessons and we know just how serious students are taking their revision by the number of attendees at Saturday intervention. Their commitment and dedication to giving up their time so freely is impressive.

Please continue to help your son revise by asking him lots of questions using Kemnal Keys, revision guides and class notes. I take this opportunity to remind you of the student and parent Y11 session on Wednesday 11 May which will give you the tools and strategies to support your son through their GCSE's. The session is in the school from 5.00pm to 6.00pm. Please can you email [admin@kemnal-tkat.org](mailto:admin@kemnal-tkat.org) of your attendance. We do look forward to seeing many of you and supporting you through this extremely important time.

Next week all Y7 students will be taking part in their STAR tests for English. These are important tests and allow teachers to assess the progress of all pupils. Please encourage your child to do their very best during these sessions.

On Wednesday 11 May 2022, Y8's will be having their HPV immunisation. I attach again the letter from Bromley NHS with regard to this. Parents will need to click on the link to either decline or authorise for their child to be vaccinated. This will take place on Wednesday morning and will be overseen by Ms O'Grady.

All that remains, is to wish you a pleasant weekend and as always, thank you for your support.

Yours faithfully

**Ms Emma Wride**
