21 October 2021

Dear Parents/Carers

WEEKLY UPDATE

As we look forward to the half term break, I remind Y11 parents that staff have uploaded work for students to complete over the week. Students are encouraged to enjoy the break but please ensure that your son logs in as this will help him keep the knowledge he already has, as well as, keep practicing recall information in preparation for their exams next summer. Saturday English Intervention continues with Ms Wride and Mr McCalla on 23 and 30 October from 10.00am to 12.00pm. Students are to join by using their Google Classroom account.

Please be advised that after the half term break, Y11 English and Maths P6 remain in place on a Monday and Wednesday after school but Science will now be before school. Science will be holding their intervention on a Wednesday morning from 8.00am and breakfast will be provided for students. This has been organised in order to give students the opportunity to attend intervention in their option subjects on a Thursday after school.

You will remember from a previous letter that Mr Aldwinckle, Head of History, entered a competition and out of 1600 other schools, he won! The prize was 100 different books by BAME authors for the school library. It was a pleasure this week to receive these books which include a range of fiction, non-fiction and poetry books.

Last night saw the College host its last Open Evening. It was a pleasure to meet so many new potential students and it was a great opportunity to show case the College. A thank you to all the staff involved, who again, gave up their time so freely to support the school.

Can I remind parents again that we have a number of students in College with severe nut allergies and to support them in school and make the College a safer environment for anyone with allergies, we ask that parents check that the snacks and food you send in with your child do not contain nuts. I thank you in advance for your support with this matter.

Can I remind parents of the procedure for reporting your child's absence. Please call the main number and press for the Absence Line as this goes straight through to the Attendance Officer. Please leave a message clearly stating your child's name, year group and reason for absence. Due to Covid, the school needs to record accurate details for absence.

As we are heading into the colder weather, can students please wear appropriate clothes and coats. All students are expected to attend in full school uniform and staff will be monitoring this.

Finally, a reminder that our half term break starts tomorrow, Friday 22 October and we look forward to welcoming students back on Tuesday 2 November 2021. A reminder for students that we will be returning on Week B.

All that remains is to wish you all a restful break.

Yours faithfully

Mr Christian Cavanagh
