

JUNE

YEAR 10 FUTURE FRONTIER TRIPS

This month, two groups of Year 10 students have been going on multiple trips with our partnership provider, **Future Frontiers**. This involves them having **one-to-one career coaching from industry leaders** at their London offices, having follow-up conversations and being given support about making the correct post-16 choices. The final sessions are next week where students will receive certificates for completing the sessions.

JACK PETCHEY WINNERS

A huge well done to:

- ❖ Shannon-Rose Cork
- ❖ Charlie Eaglestone
- ❖ Emily Holliday
- ❖ Viktoriia Perepelytsia
- ❖ Hayden Bishop
- ❖ Billy Chambers

The Science Dept were able to treat our **Year 10 Science Ambassadors** to a day out to the **Royal Greenwich Observatory**. It was a beautiful sunny day and pupils really engaged with the **exhibits on show** especially the camera. They also enjoyed **learning about 'the expanding universe'** by plotting graphs in the discovery centre with a Dr from Imperial College London.

42ND STREET DRAMA TRIP

30 Year 7 & 8 students, and a couple of 10's went to Sadlers Wells to **see 42nd Street**. They took part in the **90 min workshop** before the show, and the external organisers commented how **very well behaved and enthusiastic** our kids were. Seeing their faces at the interval and listening to their conversations about how amazing the production was **an absolute delight**.

We have a **pre-loved uniform shop** here at KTC and we **welcome any donations** from parents. We have available skirts, ties, shirts, blazers, trousers and jumpers. If anyone is interested in any pre-loved uniform to **contact the school office**.

Please don't forget to set up your **ParentPay** and **SchoolComms** accounts by the end of term!

WELL DONE YEAR 11!

You have all **worked so hard** during your exams and we are so **proud of you**. We are looking forward to seeing you all for the **Leavers afternoon** on 7th July!

MONEYWISE CHALLENGE

The purpose of the challenge was to teach students about important money topics. They engaged with a range of interactive digital activities and challenges, **competing against other schools across London**. The students were absolutely fantastic, behaved impeccably and **competed with integrity and pride**. In many rounds we came in the **top 10 of the 120 schools** that were participating. Safe to say we will be entering next year! Well done to all of the students who competed **you were a credit to KTC**.
