

APRIL/MAY

SKI TRIP 2023

We hadn't managed to have this trip for the last few years but finally the **Kemnal Ski Trip** was back! Over Easter, a group of students, ranging from Year 8 to Year 11, along with staff headed to **Bormio** in the Italian Alps. They travelled by coach & a ferry across the English Channel on an extreme choppy day – there were some very seasick staff and students! They had a great week at the resort with **plenty of snow & sunshine!** A highlight had to be the **unbelievable Karaoke performances** on the Tuesday night, from both students & staff!

We had two **Cricket games** the week before we broke up for Easter. The first was our **Year 8 team** who had an away game playing against The Ravensbourne School. They played well and only lost by 20 runs. Then it was our **Year 9 & 10 teams'** turn against The Ravensbourne School. They also played very well and **beat them by 18 runs!**

For **Physics Week** this year, there was a range of activities students could get involved in:

- ❖ **Battleships** – whose ship would stay afloat?
- ❖ **Potato Generators** – how many potatoes would it take to charge a mobile phone?
- ❖ **The Great Plane Race** – racing their paper planes outside!
- ❖ **'Eggcellent' Parachutes** – whose egg would survive the fall?

15 to 21 May 2023
Mental Health Awareness Week
World Health Organization #ToHelpMyAnxiety

We joined in with **'Wear It Green Day'** for **Mental Health Awareness Week** - raising awareness around mental health and the support that is available.

WE WANT TO HEAR FROM YOU!

We are trialling a **new look** with our Kemnal Newsletter and we also want to hear from you what you think of Kemnal:

- ❖ Do you prefer this version of our newsletter to previous versions?
- ❖ What are your views about Kemnal?
- ❖ How happy are you with the school?
- ❖ Are there areas you think we can improve on?

Let us know here:
